

Campingportalen.no is Norway's largest camping site! Over 1100 campsites, and about 110 dealers of caravans, campers and camping equipment. You'll find overviews of the Norwegian camping chains: Topp Camping, NAF Camp, Camping Key Europe and Pluscamp, as well as various maps and lists showing campsites and dealers in Norway, filtered by counties, cities, places as well as other useful keywords.

Furthermore we are exclusively presenting the latest and most relevant news from our collaboration partner - Norsk Bobil & Caravan Club (NBCC) - all to make the search for information about camping in Norway as easy, clear and complete as possible! We are the ones behind the annual election and honouring of "People's Favorite Campsite".

Statistical facts www.campingportalen.no

Over 750,000 page views annually
Over 280,000 visits annually

Norsk Bobil & Caravan Club is Norway's largest and oldest interest organization for those with either a caravan or a motorhome. NBCC is continuously working to safeguard members' interests towards authorities, organizations and other institutions.

NBCC is also working within training / traffic safety, support during the creation and improvement of campsites, as well as cooperation with other organizations - both domestic and international.

Our members benefit from social events, inspiration, practical tips and advice as well discounts on a variety of products/services. Whether you have a caravan, motorhome or combi camp is of no importance - with us you are all most welcome!
